

Health & satisfaction guarantee

Our dogs go through full health screenings before being bred or sold. Sire and Dam are AKC registered and have certified hips through the Orthopedic Foundation upon required age.

All puppies will be health examined and will receive proper vaccinations, by a licensed veterinarian, before going to their new homes. All puppies are required to be examined by new owner's veterinarian within three business days after being purchased.

Eastern Oregon Gun Dogs is committed to provide quality, sound, versatile and family friendly shorthairs. Our dogs exhibit correct conformation, superb hunting instincts and loving temperaments. Good health is very important to us. All of our dogs go through full health screenings before being bred or sold. All Puppies come with full health guarantees. We follow the GSPCA Guidelines for Responsible Breeders. Dogs and puppies must go to approved homes and sign a contract.

Your puppy or trained dog comes with a 100% health and satisfaction guarantee. If you don't like the dog for any reason we will replace it with another dog as long as the dog or puppy has been properly cared for and shows no signs of neglect.
